Publication Charges and Funding

Please enter the information requested below. Required fields are marked with an asterisk (*).

* Open Access and Licensing Options

AIP Conference Proceedings offers authors the option to select either conventional publishing or Open Access (Author Select) publishing for their conference articles. The Author Select option has a USD 3500 fee and provides free online access to the published article to users indefinitely. With this option, authors hold the copyright to their work, which will be published under a Creative Commons Attribution 4.0 International (CC BY 4.0) license.

Open Access (Author Select) publishing is independent from AIP Conference Proceedings' Conference Access, Free Access, and Perpetual Access publishing options.

Please select how you wish to publish your article from the options below:

- Open Access and I will be responsible for paying the Author Select fee. (AIPP will provide a link for payment after manuscript acceptance.)
- Conventional Publication.** I am not interested in the Author Select (Open Access) option and choose conventional publication.

Should your manuscript be accepted for publication, you will be contacted at acceptance with a confirmation of payment status as status may have changed.
